

WASHINGTON; FIRST WORRY ABOUT LOWERING THE "GAS PRICES" SO I CAN AT LEAST AFFORD TO DRIVE MY YUKON XL TRUCK AROUND AND LISTEN TO MY XM-RADIO. IF BUSH JR. WANTS TO SPEND TENS-OF TRILLIONS OF DOLLARS TO TAKE OVER ANOTHER COUNTRY TO ADAPT THEM TO OUR INCUBANT WAY OF LIVE WHILE EXPENDING THE LIVES OF OUR YOUNG SOLDIERS, HE SHOULD AT-LEAST TAKE OVER THE OIL WELLS AND GET OUR GAS PRICES BACK DOWN TO \$.99 A GALLION. HOW MUCH DOES IT COST THE TAX PAYERS TO HEAT THE WHITE HOUSE EACH WINTER? NOW THINK ABOUT OUR HOUSES. "I WILL CHANGE PARTIES AND VOTE FOR HIM IF HE DOES THE AMERICAN THING." THE COUNTRY WILL PROBABLY VOTE YOU IN FOR A FIFTH TERM AND THE WORLD ECONOMY WILL THANK US. FOREVER. "DO THE AMERICAN THING AND GET US BACK TO OUR FREE WAY OF LIFE."
